User Guides vs Training Manuals by Vanessa Lebeau on Prezi

Forest Service Directives. The Forest Service Directive System consists of the Forest Service Manual and Handbooks, which codify the agency's policy, practice, and procedure. The system serves as the primary basis for the internal management and control of all programs and the primary source of administrative direction to Forest Service employees.

Forest Service Directives

Key Difference: The term 'manual' or 'guide' both usually refer to a document whose main aim is to provide information or instructions. It is generally expected that guide are shorter, concise and more to the point than manual. A manual is expected to give more in-depth information and instruction than a guide.
