The purpose of this guide is to clarify written communication expectations in the civil engineering discipline and define requirements for work submitted to the University of Minnesota Duluth Department of Civil Engineering. This supplements your required writing courses, WRIT 1120 and WRIT 3130.

University of Minnesota Duluth Department of Civil ...

Technical lettering is the process of forming letters, numerals, and other characters in technical drawing. It is used to describe, or provide detailed specifications for, an object. With the goals of legibility and uniformity, styles are standardized and lettering ability has little relationship to normal writing ability.
