I have read C. Daly King's *The Oragean Version*, a very useful and often overlooked text, which is frequently mentioned. Yet I am not an ideal reader of this book in the sense that I know little about its author, Jon Woodson, or his previous publications in this field. According to the author's note on the

The Hidden Learning: Oragean ...

King attended two of his meetings, and realized that the Oragean version of the teaching no longer remained extant, and that it was upon the verge of being irrecoverably lost. He therefore resolved to set it down in accurate detail, the result of which, is the present volume.
