### Marko Pogačnik – Sacred Geography

To convey the idea that geomantic knowledge in a very specific way complements the material point of view of geography, I refer to geomancy as “sacred geography.” By “sacred” I mean that the task of geomancy in our present day is not simply to foster public interest in etheric, emotional and spiritual levels of places and landscapes, but also to promote a deeper, more loving, and more responsible relationship toward the Earth, the Cosmos, and all beings, visible and invisible.
