Killer on the Road - Wikipedia

James Ellroy is known for writing characters in various forms of craze and psychosis, and I'm happy to say that Killer on the Road does just that, giving us Martin Plunkett, the ruthless serial killer that we follow through the book. The book starts out wonderfully, with Ellroy's style firing on all cylinders.

In 1981, Ellroy published his first novel, Brown's Requiem, a detective story drawing on his experiences as a caddie. He then published Clandestine and Silent Terror (which was later published under the title Killer on the Road). Ellroy followed these three novels with the Lloyd Hopkins Trilogy.

James Ellroy - Wikipedia

"Killer on the Road" is possibly James Ellroy's best book, one that's sadly overlooked, forgotten, written off as "just an early work", and not a novel to attach as much admiration to as his larger, multi-narrative novels. A fuller version of a review of sorts will appear soon.

Killer on the Road by James Ellroy - Goodreads

James Ellroy is an American author of noir crime fiction and historical mystery novels. He is best known for his unique style of prose where he leaves connecting words out and writes in short sentences. He was able to condense his novel White Jazz from 900 pages to 350 by simply eliminating verbs, rather than eliminating any subplots. He is best known for his L.A. Quartet and Underworld USA Trilogy.

James Ellroy - Lioness at Large

Ellroy lived the first years of his life in Los Angeles, California with both his parents, Geneva (who was a nurse) and Armand (who was an accountant). After his parent's divorce, Ellroy was forced to move with his mother to El Monte, California. As it turned out, that would be the first chapter of his unfortunate childhood.

Silent terror (Book, 1986) [WorldCat.org]

This was the last of Ellroy's 'minor' novels (it was followed by The Black Dahlia). Reportedly he wrote it in a hurry because he needed the money. He dismisses it in his first autobiographical book and doesn't mention it at all in the second. Originally it was called Killer on the Road; the publisher gave it an even worse title, Silent Terror.
