Straw Dogs: Thoughts on Humans and Other Animals John Gray The British bestseller Straw Dogs is an exciting, radical work of philosophy, which sets out to challenge our most cherished assumptions about what it means to be human.

### **Straw Dogs: Thoughts on Humans and Other Animals**

Even in the present day, despite Darwin's discoveries, nearly all schools of thought take as their starting point the belief that humans are radically different from other animals. In Straw Dogs, John Gray argues that this humanist belief in human difference is an illusion and explores how the world and human life look once humanism has been finally abandoned.

### **Straw Dogs: Thoughts On Humans And Other Animals: Amazon ...**

Reading Straw Dogs by John Gray triggers emotional and intellectual responses as the author layer by layer peels away long-constructed misunderstandings of what it means to be human. Gray does not promote some kind of new theory or help build a mental Avignon.
