Let's see what is happening out there in new home construction. We are seeing expansion of the top 200 tract home builders, the ones that move into an area, buy up 40 acres and more, level it, put in the infrastructure and build conservative middle class homes for less than any small stick builder could by using the least expensive materials and bidding out work to the lowest bidder.

### **MODULAR HOME BUILDER: Where are Tomorrow's New Home Builders?**

The one stop shop for new construction. I was looking for a new home and found NewHomeSource.com - which has rich content, all the details of new construction and useful articles to educate new and experienced homebuyers. NewHomeSource.com helped me buy my first brand-new home in Frederick, Maryland.
