Where To Download Tutorials In Introductory Physics And Homework Value Package **Introductory Physics ...**

Tutorials in Introductory Physics is a set of instructional materials intended to supplement the lectures and textbook of a standard introductory physics course. The emphasis in the tutorials is on the development of important physical concepts and scientific reasoning skills, not on solving the standard quantitative problems found in traditional textbooks.

Amazon.com: Tutorials In Introductory Physics and Homework ...

Tutorials in Introductory Physics present a series of physics tutorials designed by a leading physics education research group. Emphasizing the development of concepts and scientific reasoning skills, the tutorials focus on the specific conceptual and reasoning difficulties that students tend to encounter.
