and after change. Explain WHY the concept existed continuously throughout the time period or changed during the time period. Paragraph 3: (OPTIONAL) Identify the opposite of the change or continuity above. This paragraph should be written as a "despite" paragraph, arguing for example that while change occurred, some things stayed the same.

AP World History Continuity and Change over Time (CCOT ...

Although individuals only live a relatively short time, institutions, ideas, and problems can endure for long periods of time, even thousands of years. This is known as continuity. Although continuity is important in the study of history, historians also recognize that society is constantly undergoing change.
